

For Garden Sakes

At the SACGC Quarterly Meeting on May 14, two members stepped up to fill the office of President. They are Nancy Rosenthal, Landings Garden Club Representative and Louisa Sigman (SACGC Vice-President), Wilmington Island Garden Club Representative. Thank you both for agreeing to be Co-Presidents!

I already gave them advice and told them that I am here as needed for them in the future.

I was presented a gavel for my past three years of being President along with a brick to be placed in our Botanical Garden.

**Thank you all!
Irene Michaels
Past-President and Advisor**

The entire Board of the SACGC and Botanical Garden would like to thank Irene Michaels for a job well done as our President for the last 3 years. She has promised not to disappear. ♥.

Betty Ward

This has been a remarkable season for our Garden.

We have welcomed a new Day Lily Garden and are on the Camellia Trail. We are the #1 free thing to do in Savannah on YELP and one of the top 10 places to take your Mom on Mother's Day.

SCAD students are always filming and doing photo shoots and our Farmhouse is a prime location for all kind of showers and events.

Every one appreciates us except our own membership. We are unable to seat a full board and volunteers are few and far between. It is amazing to me that a place so successful could actually fail to exist due to lack of interest by our own membership.

I truly love the SACGC with all my heart but I can not do this alone. Many thanks to all who do help. I could not do my job without you.

POOLER GARDEN CLUB

Went to Secret Gardens.

WINDSOR FOREST GARDEN CLUB

Drum Roll! Hold on to your seats, ladies (and gentlemen)

Our annual plant sale is over, tables are packed up, plants (the few left) dispersed to SACGC sale & members for next years sale and the monies are tallied. This year we took in over \$2300 between the plant sale & our raffles! Yes, all that hard work is worth it.

Thanks to Debbie Cahill for her leadership, Marion Sandstrom as she learns the ropes of plant sale, Maggie Walker for her extraordinary creativity for our bird-house, and all the members who went over and above for their plants, painted pots and rocks, and so much more. You are the BEST and I'm proud to be a part of WFGC.

Kudos to us all! Looking forward to seeing everyone at Louise Campbell's in May and we can pat each other on the back and cheer for Debbie C! Ann Hart donated over a 135 plants for WFGC plant sale.

Submitted by Ann Hart

Thanks for prayers, visits, cards, phone calls, transportation and delicious food. Internal contusions, damaged rib cage, concussion (headache and dizziness),

sprained right hand, both knees hurt, and many hematoma . Use of walker, PT and OT at St. Joseph Hospital are musts. Follow up visits with Internist, Ortho and Neuro Drs continue.

GC, Church and FBI friends have been a blessing.....Thankful for a Church friend who helped me get dressed and took me to Service and Communion, May 5.

Continued prayers deeply appreciated.

Blessings abound 🥰

Hugs,
Shirley Lewis

The Savannah Daylily Society (SDS) *has planted a new daylily garden at the Savannah Botanical Gardens on Eisenhower Dr.*

The club's original garden location at the Historic Bamboo Farm/Coastal Georgia Botanical Gardens (CGBG) is being repurposed and the garden needed to be moved. The Savannah Botanical Gardens has welcomed our club with open arms! We appreciate being able to hold our meetings in the beautiful and historic Reinhard House.

The American Daylily Society Display Garden at CGBG had 118 different varieties of daylilies. The new garden is being established with 42 different varieties specifically grown and registered by Georgia hybridizers. A future goal would be to have this new garden meet the qualifications for an American Daylily Society Display Garden.

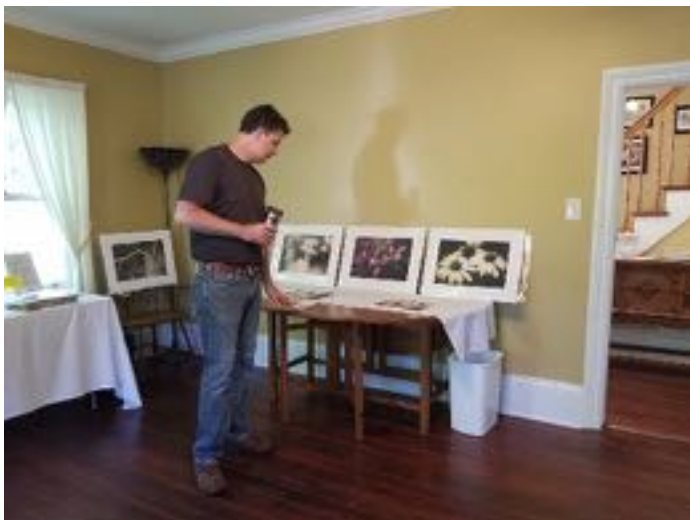

Irrigation has been installed and pine straw has been spread. A paver walkway will be installed soon. Our first plant to bloom was the daylily 'Three Wishes', which bloomed on the Saturday of the Rose Festival! Our club participated in the Rose Festival and had a very successful sale and a fun day.

We love daylilies and new members. Come join us!

ANNUAL PLANT SALE!

Remembering our Jack.

WEDDING PHOTOS

PHOTOS FROM OUR BEAUTIFUL GARDEN

Some photos of our beautiful flowers
Many thanks to the general public for these beautiful photos
